CATAGORIES *check category/categories you will be entering.
Each entry requires a donation of 6dozen cookies in the
category entered (only 4doz for the Beauty Contestants).*

SPIRIT COOKIES: This has less to do with the ghosts of Christmas Past, Present and Future and everything to do with alcohol as an ingredient.

HEIRLOOM COOKIES: We're asking for the submission of little written histories with these cookies; this would be the story you tell when you serve them, or give the r recipe away, or simply remember as you eat them.

BEAUTY CONTEST: Flavor counts, but the judge will be judging these cookies on looks. If this were the Miss America Contest, think of this category as the swimsuit competition.

BARS, BALLS, & NUTS: Pretty self-explanatory!

SANTA'S CHOICE: Grand prize, big blue ribbon cookie. Not a category you can enter, only the dream you have of winning when you enter.

Proceeds will support Pomerene Center for the Arts 2013 community arts programming
