

promoting community involvement in the arts

MS. RACHEL'S STUDIO summer art camp for preschoolers

August 5-9, 2013. 9-11am.

Location: Pomerene Center for the Arts

Limit: 8 children ages 3-5

Cost: \$45 (friends), \$50 (guests)

A week of Reggio inspired art camp

We like the [Reggio Emilia](#) philosophy of encouraging children to explore, create, think, and PLAY and will start the week by asking questions like—How do we get in and make this space ours? What makes a home for something very small, like a fairy or an elf? What about a home for something bigger like us, under the bushes?

Using chalk, tree roots, found objects, paint, cardboard boxes, clay and rocks the young artists will explore and create their answers.

Please complete the simple form below and send with the Workshop Fee of \$45 (friends) or \$50 (guests) made payable to the Pomerene Center for the Arts. Send to 317 Mulberry Street, Coshocton, Ohio 43812
